

As District Attorney, Cara Briggs would partner with County Executive Maggie Brooks to run the DA's Office efficiently and effectively to combat crime and improve quality of life for our community.

A Career Prosecutor, Not A Politician

I've dedicated my career to prosecuting the criminals who victimize our community. For 17 years I served as a prosecutor in the Monroe County District Attorney's Office. I have a wide range of experience that includes prosecuting child molesters, violent felons and drug dealers, supervising staff and directing investigations.

As your District Attorney, I will work tirelessly on behalf of crime victims and put violent criminals behind bars. I'm not afraid to tackle the tough cases because I believe every victim deserves justice.
